PREPARATION: All equipment should be checked for proper operating conditions. If there are any problems, let's get them solved now! Clean and shine all instruments including percussion, basses, etc. Bring extra reeds, valve oil, slide grease, drum sticks, mallets, shoe polish, etc. Proper uniform, which includes white band shoes and clean, white socks, are a must to get a FIRST DIVISION. Don't forget to wash (or purchase new ones) your shoe strings. Be sure and prepare physically and mentally as well as musically.

MONEY: I will pay for lunch and dinner.

Let's be prepared to DO OUR BEST at the NETX Pre-UIL marching contest!!!
